

Serving the New York, New Jersey, Pennsylvania,
Delaware and Maryland Region

Parker Solutions

INSTRUMENTATION

CPI & A-LOK Instrumentation
Tube Fittings, Instrumenta-
tion Valves

VERIFLO

Semiconductor, High
Purity & Instrumenta-
tion Valves, Regulators
and Accessories

PTFE/PARFLEX

PTFE Fittings, Valves,
Hoses, & Tubing

QUICK COUPLING

CPI & A-LOK Instrumentation,
High Flow, & Standard Quick
Disconnects

SKINNER & GOLD RING

Solenoid Valves; General
Purpose & Explosion
Proof

FINITE FILTER

Compressed Air & Gas
Filtration/Coalescing Solutions;
Piggyback Filter-Regulators

Valves & Actuation Solutions

Needle, plug, & bonnet
valves; integral, screwed
and union. Manifold
valves, metering valves,
ball and solenoid valves

Ball, Butterfly & Globe;
On/Off & Modulating.
Pneumatic & Electric
Actuation Solutions

Precision Gas Regula-
tors & Specialty Gas
Distribution Systems

Check, Relief, Shutoff,
& Solenoid Valves;
Pressure Regulators

Pneumatic Valves
& Accessories

Ball, Butterfly, Gate,
Globe, & Check Valves.
Actuation Solutions

Low & High Pressure &
Specialty Regulators

Instrument Solutions: Flow, Pressure, Temperature, Level

Pressure,
Temperature, &
Level Instruments

Flow meters
Compound, Differential Pressure, Electro-
magnetic, Nutating
Disc, Turbine,
Ultrasonics (Dynason-
ics), & Vortex and
accessories

Pressure,
Temperature, Level,
& Flow Instruments
and Accessories

PIC, Bourdon,
March, & WGTC
Pressure &
Temperature
Gauges

Precision Stainless
Steel & Brass
Liquid Fillable
Pressure Gauges

Excellence Since 1953

ROYAL INSTRUMENTS

Filtration Solutions

Micro Filtration &
Advanced Separation/Purification
Systems

Accessories

Flexible Metal & PTFE
Hoses and Flex Joints
for demanding fluid &
gas applications

Tubing/Cable
Support Channels &
Trays; Instrument
Stands

Powering a Third Century of Innovation.

Expansion Joints:
Metal Bellows,
Slip-Type &
Non-Metallic

Flexible Surface
Heating Elements,
Controls, &
Accessories

Your Trusted Source for Process Instrumentation and Equipment

Since 1972 Components and Controls, Inc. and Royal Instruments* have been leading distributors of process control instrumentation and equipment, offering best-in-class instrumentation and fluid processing expertise, products and services. Serving New York, New Jersey, Pennsylvania, Delaware, and Maryland from offices in NJ and DE – Components and Controls' and Royal Instruments' industrial process experts are conveniently located to meet your needs. We offer a large inventory of process control instruments to meet the demanding application needs of the region's power generation, chemical, refining, gas separation & distribution, semi-conductor, life science, analytical, pulp & paper, food, beverage, water/wastewater, transportation, and HVAC industries.

*Royal Instruments established in 1979 was acquired by Components & Controls in 2012.
