ENGINEERING YOUR SUCCESS.

WARNING — User Responsibility

FAILURE OR IMPROPER SELECTION OR IMPROPER USE OF THE PRODUCTS AND/OR SYSTEMS DESCRIBED HEREIN OR RELATED ITEMS CAN CAUSE DEATH, PERSONAL INJURY AND PROPERTY DAMAGE.

This document and other information from Parker Hannifin Corporation, its subsidiaries and authorized distributors provide product and/or system options for further investigation by users having technical expertise. It is important that you analyze all aspects of your application and review the information concerning the product or system in the current product catalog. Due to the variety of operating conditions and applications for these products or systems, the user, through its own analysis and testing, is solely responsible for making the products and systems and assuring that all performance, safety and warning requirements of the application are met.

The products described herein, including without limitation, product features, specifications, designs, availability and pricing, are subject to change by Parker Hannifin Corporation and its subsidiaries at any time without notice.

Offer of Sale

The items described in this document are hereby offered for sale by Parker Hannifin Corporation, its subsidiaries or its authorized distributors. This offer and its acceptance are governed by the provisions stated in the "Offer of Sale".

PGP600 Series

- Two-piece, interlocking body construction for high efficiency and high pressure
- All cast iron body for durability
- Journal bushings for long life
- Pressure balanced thrust plates for high efficiency
- Multiple sections available

Parker's PGP600 Series fixed displacement gear pump offers high efficiency, high performance and high power density due to its interlocking two-piece cast iron construction.

Applications – Skid Steer Loaders, Combines, Harvesters, Grapples, and other high duty applications

Markets – Agriculture, Construction, Forestry, Material Handling, Turf, Mining, Oil & Gas

Commerical PGP300 Series

- Three-piece cast iron construction for assembly flexibility
- Balanced thrust plates optimize pump efficiency
- Largest journal bearings available for high pressure and long life
- Multiple sections available

Parker's Commercial Brand PGP300 Series fixed displacement gear pumps offer high pressure durability due to their cast iron construction, making them ideal for high duty cycle mobile applications for the Construction, Forestry, and Oil & Gas markets. The most comprehensive gear pump with flexibility of options in the market place.

Applications – Tire Trucks, Salt and Sand Spreaders, Aerial Lift, Low Boy Trailers, Live (Moving) Floor Truck, Roll Off Trailers

Markets – Construction, Forestry, Material Handling, Agriculture, Mining, Oil & Gas

PGP315 Frame Size	03	05	06	07	08	10	11	12	13	15	16	17	18	20

PGP130 Series

- Three-piece cast iron construction
- Bushing style balanced pressure plate design
- Compact design for reduced space claim
- Multiple sections available

Parker's PGP130 Series Ultra Compact fixed displacement gear pumps offer high power density due to their compact, cast iron construction, making them ideal for mobile applications for the Mini-construction, Forestry, and Truck markets.

Applications – Skid Steer Loaders, Tire Trucks, Salt and Sand Spreaders, Aerial Lifts

Markets – Mini-construction, Forestry, Material Handling, Agriculture, Truck

PGP130 Frame Size	7	10	13	17	19	23	27	29	32	36	38	41	44	51
Displacement – cm ³ /rev (in ³ /rev)	7.21 (0.44)	9.71 (0.59)	12.85 (0.78)	17.31 (1.06)	19.41 (1.18)	22.95 (1.40)	27.54 (1.68)	29.64 (1.81)	32.66 (1.99)	36.72 (2.24)	38.82 (2.37)	41.84 (2.55)	44.99 (2.75)	52.07 (3.18)

P16 Series (Iron Body / Aluminum Covers)

- Three-piece construction
- Cast iron pumping sections for durability
- Aluminum cover plate and flange for excellent power to weight ratio
- Journal bearings for long life
- Pressure balanced plates for greater efficiency

Parker's P16 fixed displacement gear pump offers a combination of high performance and light weight due to combining a rugged cast iron pumping section with aluminum flange and port end covers. This construction makes the P16 an ideal selection for the Mobile and Truck markets. It's available as a single or tandem pump with options for priority flow or relief valves. A clutch pump option is also available.

Applications – Power steering pumps – priority valves available, Dump Beds, Salt and Sand Spreaders, Aerial Lifts, Low Boy Trailers

Markets – Vocational & Municipal, Construction, Material Handling

P16 Frame Size	45	65	85	100	115	150	180	200
Displacement – cm ³ /rev (in ³ /rev)	14.388 (0.878)	20.812 (1.270)	27.252 (1.663)	32.184 (1.964)	36.723 (2.241)	48.080 (2.934)	57.535 (3.511)	63.942 (3.902)

Commercial Roller Bearing Series (PGP020, 031, 051, 076)

- Original Commercial pump design
- Three-piece cast iron construction for assembly flexibility
- Durable high-strength cast iron body for excellent power to weight ratio
- Balanced thrust plates optimize pump efficiency
- Roller bearings for durability and resistance to fluid contamination
- Multiple sections available

Parker's Commercial brand roller bearing pump offers high durability & resistance to oil contaminants due to their cast iron, roller bearing construction making them an ideal selection for the Vocational Truck, Winch, and Oil & Gas markets. They are available as single or multi-section pumps.

Applications – Bulk Feeds, Salt and Sand Spreaders, Wreckers, Tire Trucks, Roll Off Trucks, Live (Moving) Floor Trucks, Refuse Trucks, Oil & Gas, Service Trucks

Markets – Vocational Trucks, Mining, Oil & Gas, Construction, Forestry, Material Handling, On-Highway Vehicle

PGP020 Frame Size	05	07	10	12	15	17	20
Displacement – cm ³ /rev (in ³ /rev)	16.1 (0.99)	24.2 (1.48)	32.3 (1.97)	40.4 (2.46)	48.4 (2.96)	56.5 (3.45)	64.6 (3.94)

WARNING: This product can expose you to chemicals including lead or DEHP which are known to the state of California to cause cancer, birth defects, and other reproductive harm. www.p65warnings.ca.gov

Commercial Dump Pump C Series

- Original Commercial dump pump design
- Durable high-strength cast iron body for excellent power to weight ratio
- Cast iron construction for durability
- Balanced thrust plates minimize friction and leakage
- Roller bearings for durability and resistance to fluid contamination

Parker’s Commercial C Series pumps are the most rugged and durable dump pumps available in the market. Comes standard with integrated valve for raising and lowering dump beds, with integral relief valve. C102 for PTO direct mount. C101 for remote mount applications.

Applications – Dump Trucks, Dump Trailers

Markets – Vocational & Municipal

C101 / C102 Frame Size	25
Displacement – cm ³ /rev (in ³ /rev)	104.5 (6.40)
Max continuous pressure – bar (psi)	172 (2,500)
Max Speed – RPM	2,400
Approximate Weight – Lbs. [kg]	71 [32.2]

WARNING: This product can expose you to chemicals including lead or DEHP which are known to the state of California to cause cancer, birth defects, and other reproductive harm. www.p65warnings.ca.gov

Commercial Dump Pump SG Series

- 25% greater flow than G102 2" dump pump
- 20% less weight than the C102 2.5" dump pump
- Large pump valve body flow characteristics
- 4-Bolt B or 4-Bolt DIN flange
- 13T B or 8T DIN shaft
- Pressures to 172 bar (2500 PSI)
- Manual or air shift option

Parker's Commercial brand SG102 Series dump pump is designed to fit where space is limited, but greater flow is still a necessity. The SG102 dump pump utilizes the valve body of the larger frame size C Series dump pump, providing large dump pump flow characteristics for a faster dump cycle time, yielding greater work cycle efficiency.

Excellent for use on dump trucks with automatic transmissions.

Applications – Dump Trucks, Dump Trailers

Markets – Vocational & Municipal

SG102 Frame Size	25
Displacement – cm ³ /rev (in ³ /rev)	104.5 (6.38)
Max continuous pressure – bar (psi)	172 (2,500)
Max Speed – RPM	2,400
Approximate Weight – Lbs. [kg]	56 [25.4]

⚠ WARNING: This product can expose you to chemicals including lead or DEHP which are known to the state of California to cause cancer, birth defects, and other reproductive harm. www.p65warnings.ca.gov

Commercial Dump Pump G Series

- Original Commercial dump pump design
- Durable high-strength cast iron body for excellent power to weight ratio
- Cast Iron construction for durability
- Balanced thrust plates minimize friction and leakage
- Roller bearings for durability and resistance to fluid contamination
- More compact design allowing for easier fitment

Parker’s Commercial G Series pumps are the most rugged and durable dump pumps available in the market. Comes standard with integrated valve for raising and lowering dump beds, with integral relief valve. G102 for PTO direct mount. G101 for remote mount applications.

Applications – Dump Trucks, Dump Trailers

Markets – Vocational & Municipal

G101 / G102 Frame Size	20
Displacement – cm ³ /rev (in ³ /rev)	64.6 (3.9)
Max continuous pressure – bar (psi)	172 (2,500)
Max Speed – RPM	2,400
Approximate Weight – Lbs. [kg]	43 [19.5]

PGP500 Series

- Three-piece construction for distribution flexibility
- Aluminum pumping sections for light weight
- Journal bushings for long life
- Pressure balanced bushing blocks for high efficiency
- Multiple sections available
- Available with either aluminum or cast iron mounting flange and rear cover

Parker's PGP500 Series fixed displacement gear pumps offer cost effective, high power density due to their aluminum, bushing block construction, making them ideal in a broad selection of markets such as Material Handling, Agriculture, Turf, as well as a variety of Industrial Applications. They are available as single or multi-section pumps.

Applications – Power steering pumps – priority valves available, Hydraulic Power Unit, Aerial Lift, Transfer pump

Markets – Vocational & Municipal, Agriculture, Construction, Forestry, Material Handling, Turf

PGP500H Series – “Silent Pump”

- Low noise emissions, minimized pulsation
- High efficiency
- High power density
- Ideal for electric/hybrid vehicles

Parker’s PGP500H Series pumps are specifically designed to reduce noise and pulsations from the hydraulic system and offer high pressure performance in a wide range of displacements (from 4.2 cc/rev to 200.4 cc/rev). Perfect for all stationary industrial indoor applications, and for any mobile application sensitive to noise such as electric and hybrid vehicles. The special pressure balancing assures maximum efficiency under all operation conditions.

Applications – Power steering pumps – priority valves available, Hydraulic Power Unit, Aerial Lift, Transfer pump, Lube pump

Markets – Vocational & Municipal, Agriculture, Construction, Forestry, Material Handling, Turf

D / H / HD Series

- Three-piece construction
- All aluminum body for light weight & corrosion resistance
- Journal bushings for long life
- Pressure balanced thrust plates for high efficiency
- Multiple sections available (HD series only)
- D series also available with a 2, 4, & 6-quart tank kit. Tank kit may also be ordered separately.

Parker's D / H / HD Series fixed displacement gear pump is an all aluminum body pump. It's an ideal selection for mid-pressure range applications where light weight, corrosion resistance & efficient performance are important.

Applications – Hydraulic Power Units, Filter Carts, Transfer & Lube Pumps

Markets – Agriculture

PGG Gerotor Series

- All aluminum construction for light weight
- Fixed clearance gear section for high mechanical efficiency

Parker’s PGG Gerotor Pump Series is a compact, corrosion resistance pump due to it’s light weight aluminum body. It is available as a standard pump, or a pump with a primary circuit relief valve.

Applications – Power steering pumps – priority valves available, Brake pump, Hydraulic power unit, Filter cart pump, Transfer pump, Lube pump

Markets – Agriculture, Mini Construction, Forestry, Material Handling, Turf, Vocational & Municipal

PGG Frame Size	0010	0016	0020	0025	0030

PGM600 Series

- Two-piece, interlocking body construction for high efficiency and high pressure
- All cast iron body for durability
- Journal bushings for long life
- Pressure balanced thrust plates for high efficiency
- Multiple sections available

Parker's PGM600 Series fixed displacement gear motor offers high efficiency, high performance and high power density due to its interlocking two-piece cast iron construction.

Applications – Fan drive, Excavators, Plow motors, Harvester motors, Sprayer motors, Pump drive

Markets – Agriculture, Construction, Forestry, Material Handling, Turf, Mining, Oil & Gas

Commercial PGM300 Series

- Three-piece cast iron construction for assembly flexibility
- Balanced thrust plates optimize pump
- Largest journal bearings available for high pressure efficiency and long life
- Multiple sections available

Parker's PGM300 Series fixed displacement gear motors offer high pressure durability due to their cast iron construction, making them ideal for high duty cycle mobile applications for the Construction, Forestry, and Oil & Gas markets. The most comprehensive gear motor with flexibility of options in the market place.

Applications – Tire Trucks, Salt and Sand Spreaders, Aerial Lifts, Low Boy Trailers, Live (Moving) Floor Trucks, Roll Off Trailers

Markets – Construction, Forestry, Material Handling, Agriculture, Mining, Oil & Gas

Commercial Roller Bearing Series (PGM020, 031, 051, 076)

- Original Commercial dump motor design
- Three-piece cast iron construction for assembly flexibility
- Balanced thrust plates optimize motor efficiency
- Roller bearings for durability and resistance to fluid contamination
- Multiple sections available

Parker's Commercial brand roller bearing motor offers high durability & resistance to oil contamination due to their cast iron, roller bearing construction making them an ideal selection for the Vocational Truck, Winch and Oil & Gas markets. They are available as single, two-speed, or winch motors.

Applications – Bulk Feeds, Salt and Sand Spreaders, Wreckers, Roll Off Trucks, Live (Moving) Floor Trucks, Oil & Gas

Markets – Vocational Trucks, Mining, Oil & Gas, Construction, Forestry, Material Handling

PGM500 Series

- Three-piece construction for distribution flexibility
- Aluminum pumping sections for light weight
- Journal bushings for long life
- Pressure balanced bushing blocks for high efficiency
- Available with either aluminum or cast iron mounting flange and rear cover

Parker's PGM500 Series fixed displacement gear motors offer cost effective, high power density due to their aluminum, bushing block construction, making them ideal in a broad selection of markets such as Material Handling, Agriculture, Turf, as well as a variety of industrial applications. They are available as single or multi-section motors.

Applications – Turf Deck motors, Winch, Fan Drive motors, Pump Drive, Saw motors, Outdoor Power Equipment

Markets – Vocational & Municipal, Agriculture, Construction, Forestry, Material Handling, Turf

MGG Gerotor Series

- All aluminum construction for light weight
- Fixed clearance gear section for high mechanical efficiency

Parker's MGG Gerotor Motor Series is a compact, corrosion resistance motor due to its light weight aluminum body.

Applications – Power steering motors – priority valves available, Saw motors, Fan Drive motors, Sprayer motors, Screenshot vibration motors

Markets – Agriculture, Mini Construction, Forestry, Material Handling, Turf, Vocational & Municipal

700 Series - Heavy Duty, High Flow (Legacy Gresen Brand 20, 25, FL7, HP8 Series)

- Options available for either Aluminum or Cast Iron Body Construction
- Serviceable journal bushings for long service life
- Engineered pressure balanced thrust plates & balance seal materials for high efficiency & longer seal life
- Durable in applications with a vacuum inlet condition; (>-5inHg)
- Multiple sections in multiple displacements available

Parker's 700 Series fixed displacement gear pumps offer the highest flow & horsepower available in the most rugged applications.

Applications – Implement, Hoist, Steering, Brake cooling, Brake charge, Transmission Lube pump, Transfer pump

Markets – Mining, Oil & Gas, Construction and other demanding mobile applications

Offer of Sale

1. Definitions. As used herein, the following terms have the meanings indicated.

- Buyer:** means any customer receiving a Quote for Products from Seller.
- Goods:** means any tangible part, system or component to be supplied by the Seller.
- Products:** means the Goods, Services and/or Software as described in a Quote provided by the Seller.
- Quote:** means the offer or proposal made by Seller to Buyer for the supply of Products.
- Seller:** means Parker Hannifin Corporation, including all divisions and businesses thereof.
- Services:** means any services to be supplied by the Seller.
- Software:** means any software related to the Products, whether embedded or separately downloaded.
- Terms:** means the terms and conditions of this Offer of Sale or any newer version of the same as published by Seller electronically at www.parker.com/saleterms.

2. Terms. All sales of Products by Seller are contingent upon, and will be governed by, these Terms and, these Terms are incorporated into any Quote provided by Seller to any Buyer. Buyer's order for any Products whether communicated to Seller verbally, in writing, by electronic data interface or other electronic commerce, shall constitute acceptance of these Terms. Seller objects to any contrary or additional terms or conditions of Buyer. Reference in Seller's order acknowledgement to Buyer's purchase order or purchase order number shall in no way constitute an acceptance of any of Buyer's terms of purchase. No modification to these Terms will be binding on Seller unless agreed to in writing and signed by an authorized representative of Seller.

3. Price; Payment. The Products set forth in Seller's Quote are offered for sale at the prices indicated in Seller's Quote. Unless otherwise specifically stated in Seller's Quote, prices are valid for thirty (30) days and do not include any sales, use, or other taxes or duties. Seller reserves the right to modify prices at any time to adjust for any raw material price fluctuations. Unless otherwise specified by Seller, all prices are F.C.A. Seller's facility (INCOTERMS2010). All sales are contingent upon credit approval and payment for all purchases is due thirty (30) days from the date of invoice (or such date as may be specified in the Quote). Unpaid invoices beyond the specified payment date incur interest at the rate of 1.5% per month or the maximum allowable rate under applicable law.

4. Shipment; Delivery; Title and Risk of Loss. All delivery dates are approximate. Seller is not responsible for damages resulting from any delay. Regardless of the manner of shipment, delivery occurs and title and risk of loss or damage pass to Buyer, upon placement of the Products with the shipment carrier at Seller's facility. Unless otherwise agreed, Seller may exercise its judgment in choosing the carrier and means of delivery. No deferral of shipment at Buyers' request beyond the respective indicated shipping date will be made except on terms that will indemnify, defend and hold Seller harmless against all loss and additional expense. Buyer shall be responsible for any additional shipping charges incurred by Seller due to Buyer's acts or omissions.

5. Warranty. The warranty related to the Products is as follows: (i) Goods are warranted against defects in material or workmanship for a period of eighteen (18) months from the date of delivery or 2,000 hours of use, whichever occurs first; (ii) Services shall be performed in accordance with generally accepted practices and using the degree of care and skill that is ordinarily exercised and customary in the field to which the Services pertain and are warranted for a period of six (6) months from the completion of the Services by Seller; and (iii) Software is only warranted to perform in accordance with applicable specifications provided by Seller to Buyer for ninety (90) days from the date of delivery or, when downloaded by a Buyer or end user, from the date of the initial download. All prices are based upon the exclusive limited warranty stated above, and upon the following disclaimer: **DISCLAIMER OF WARRANTY: THIS WARRANTY IS THE SOLE AND ENTIRE WARRANTY PERTAINING TO PRODUCTS. SELLER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING**

DESIGN, NON INFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE. SELLER DOES NOT WARRANT THAT THE SOFTWARE IS ERROR-FREE OR FAULT-TOLERANT, OR THAT BUYER'S USE THEREOF WILL BE SECURE OR UNINTERRUPTED. BUYER AGREES AND ACKNOWLEDGES THAT UNLESS OTHERWISE AUTHORIZED IN WRITING BY SELLER THE SOFTWARE SHALL NOT BE USED IN CONNECTION WITH HAZARDOUS OR HIGH RISK ACTIVITIES OR ENVIRONMENTS. EXCEPT AS EXPRESSLY STATED HEREIN, ALL PRODUCTS ARE PROVIDED "AS IS".

6. Claims; Commencement of Actions. Buyer shall promptly inspect all Products upon receipt. No claims for shortages will be allowed unless reported to the Seller within ten (10) days of delivery. Buyer shall notify Seller of any alleged breach of warranty within thirty (30) days after the date the non-conformance is or should have been discovered by Buyer. Any claim or action against Seller based upon breach of contract or any other theory, including tort, negligence, or otherwise must be commenced within twelve (12) months from the date of the alleged breach or other alleged event, without regard to the date of discovery.

7. LIMITATION OF LIABILITY. IN THE EVENT OF A BREACH OF WARRANTY, SELLER WILL, AT ITS OPTION, REPAIR OR REPLACE THE NON-CONFORMING PRODUCT, RE-PERFORM THE SERVICES, OR REFUND THE PURCHASE PRICE PAID WITHIN A REASONABLE PERIOD OF TIME. IN NO EVENT IS SELLER LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF, OR AS THE RESULT OF, THE SALE, DELIVERY, NON-DELIVERY, SERVICING, NON-COMPLETION OF SERVICES, USE, LOSS OF USE OF, OR INABILITY TO USE THE PRODUCTS OR ANY PART THERE OF, LOSS OF DATA, IDENTITY, PRIVACY, OR CONFIDENTIALITY, OR FOR ANY CHARGES OR EXPENSES OF ANY NATURE INCURRED WITHOUT SELLER'S WRITTEN CONSENT, WHETHER BASED IN CONTRACT, TORT OR OTHER LEGAL THEORY. IN NO EVENT SHALL SELLER'S LIABILITY UNDER ANY CLAIM MADE BY BUYER EXCEED THE PURCHASE PRICE PAID FOR THE PRODUCTS.

8. Loss to Buyer's Property. Any designs, tools, patterns, materials, drawings, confidential information or equipment furnished by Buyer or any other items which are or become Buyer's property, will be considered obsolete and maybe destroyed by Seller after two (2) consecutive years have elapsed without Buyer ordering the Products manufactured using such property. Seller shall not be responsible for any loss or damage to such property while it is in Seller's possession or control.

9. Special Tooling. Special Tooling includes but is not limited to tooling, jigs, fixtures and associated manufacturing equipment acquired or necessary to manufacture Products. A tooling charge may be imposed for any Special Tooling. Such Special Tooling shall be and remain Seller's property not withstanding payment of any charges by Buyer. In no event will Buyer acquire any interest in Special Tooling belonging to Seller that is utilized in the manufacture of the Products, even if such Special Tooling has been specially converted or adapted for such manufacture and not withstanding any charges paid by Buyer. Unless otherwise agreed, Seller has the right to alter, discard or otherwise dispose of any Special Tooling or other property in its sole discretion at any time.

10. Security Interest. To secure payment of all sums due, Seller retains a security interest in all Products delivered to Buyer and, Buyer's acceptance of these Terms is deemed to be a Security Agreement under the Uniform Commercial Code. Buyer authorizes Seller as its attorney to execute and file on Buyer's behalf all documents Seller deems necessary to perfect its security interest.

11. User Responsibility. The Buyer through its own analysis and testing, is solely responsible for making the final selection of the Products and assuring that all performance, endurance, maintenance, safety and warning requirements of the application of the Products are met. The Buyer must analyze all aspects of the application and follow applicable industry standards, specifications, and other technical information provided with the Product. If Seller provides Product options based upon data or specifications provided

 **WARNING:** This product can expose you to chemicals including lead or DEHP which are known to the state of California to cause cancer, birth defects, and other reproductive harm. www.p65warnings.ca.gov

Offer of Sale (Cont'd)

by the Buyer, the Buyer is responsible for determining that such data and specifications are suitable and sufficient for all applications and reasonably foreseeable uses of the Products. In the event the Buyer is not the end-user, Buyer will ensure such end-user complies with this paragraph.

12. Use of Products, Indemnity by Buyer. Buyer shall comply with all instructions, guides and specifications provided by Seller with the Products. Unauthorized Uses. If Buyer uses or resells the Products for any uses prohibited in Seller's instructions, guides or specifications, or Buyer otherwise fails to comply with Seller's instructions, guides and specifications, Buyer acknowledges that any such use, resale, or non-compliance is at Buyer's sole risk. Buyer shall indemnify, defend, and hold Seller harmless from any losses, claims, liabilities, damages, lawsuits, judgments and costs (including attorney fees and defense costs), whether for personal injury, property damage, intellectual property infringement or any other claim, brought by or incurred by Buyer, Buyer's employees, or any other person, arising out of: (a) improper selection, application, design, specification or other misuse of Products provided by Seller; (b) any act or omission, negligent or otherwise, of Buyer; (c) Seller's use of patterns, tooling, equipment, plans, drawings, designs or specifications or other information or things furnished by Buyer; (d) damage to the Products from an external cause, repair or attempted repair by anyone other than Seller, failure to follow instructions, guides and specifications provided by Seller, use with goods not provided by Seller, or opening, modifying, deconstructing or tampering with the Products for any reason; or (e) Buyer's failure to comply with these Terms. Seller shall not indemnify Buyer under any circumstance except as otherwise provided in these Terms.

13. Cancellations and Changes. Buyer may not cancel or modify any order for any reason, except with Seller's written consent and upon terms that will indemnify, defend and hold Seller harmless against all direct, incidental and consequential loss or damage. Seller, at any time, may change Product features, specifications, designs and availability.

14. Limitation on Assignment. Buyer may not assign its rights or obligations without the prior written consent of Seller.

15. Force Majeure. Seller does not assume the risk and is not liable for delay or failure to perform any of Seller's obligations by reason of events or circumstances beyond its reasonable control ("Events of Force Majeure"). Events of Force Majeure shall include without limitation: accidents, strikes or labor disputes, acts of any government or government agency, acts of nature, delays or failures in delivery from carriers or suppliers, shortages of materials, or any other cause beyond Seller's reasonable control.

16. Waiver and Severability. Failure to enforce any provision of these Terms will not invalidate that provision; nor will any such failure prejudice Seller's right to enforce that provision in the future. Invalidation of any provision of these Terms by legislation or other rule of law shall not invalidate any other provision herein and, the remaining provisions will remain in full force and effect.

17. Termination. Seller may terminate any agreement governed by or arising from these Terms for any reason and at anytime by giving Buyer thirty (30) days prior written notice. Seller may immediately terminate, in writing, if Buyer: (a) breaches any provision of these Terms (b) appoints a trustee, receiver or custodian for all or any part of Buyer's property (c) files a petition for relief in bankruptcy on its own behalf, or one if filed by a third party (d) makes an assignment for the benefit of creditors; or (e) dissolves its business or liquidates all or a majority of its assets.

18. Ownership of Software. Seller retains ownership of all Software supplied to Buyer hereunder. In no event shall Buyer obtain any greater right in and to the Software than a right in the nature of a license limited to the use thereof and subject to compliance with any other terms provided with the Software.

19. Indemnity for Infringement of Intellectual Property Rights. Seller is not liable for infringement of any patents, trademarks, copyrights, trade dress, trade secrets or similar rights ("Intellectual Property Rights") except as provided in this Section. Seller will defend at its expense and will pay the cost of any settlement or

damages awarded in an action brought against Buyer based on a third party claim that one or more of the Products sold hereunder infringes the Intellectual Property Rights of a third party in the country of delivery of the Products by the Seller to the Buyer. Seller's obligation to defend and indemnify Buyer is contingent on Buyer notifying Seller within ten (10) days after Buyer becomes aware of any such claim, and Seller having sole control over the defense of the claim including all negotiations for settlement or compromise. If one or more Products sold hereunder is subject to "such a claim, Seller may, at its sole expense and option, procure for Buyer the right to continue using the Products, replace or modify the Products so as to render them non-infringing, or offer to accept return of the Products and refund the purchase price less a reasonable allowance for depreciation. Seller has no obligation or liability for any claim of infringement: (i) a rising from information provided by Buyer; or (ii) directed to any Products provided hereunder for which the designs are specified in whole or part by Buyer; or (iii) resulting from the modification, combination or use in a system of any Products provided hereunder. The foregoing provisions of this Section constitute Seller's sole and exclusive liability and Buyer's sole and exclusive remedy for such claims of infringement of Intellectual Property Rights.

20. Governing Law. These Terms and the sale and delivery of all Products are deemed to have taken place in, and shall be governed and construed in accordance with, the laws of the State of Ohio, as applicable to contracts executed and wholly performed therein and without regard to conflicts of laws principles. Buyer irrevocably agrees and consents to the exclusive jurisdiction and venue of the courts of Cuyahoga County, Ohio with respect to any dispute, controversy or claim arising out of or relating to the sale and delivery of the Products.

21. Entire Agreement. These Terms, along with the terms set forth in the main body of any Quote, forms the entire agreement between the Buyer and Seller and constitutes the final, complete and exclusive expression of the terms of sale. In the event of a conflict between any term set forth in the main body of a Quote and these Terms, the terms set forth in the main body of the Quote shall prevail. All prior or contemporaneous written or oral agreements or negotiations with respect to the subject matter shall have no effect. These Terms may not be modified unless in writing and signed by an authorized representative of Seller.

22. Compliance with Laws. Buyer agrees to comply with all applicable laws, regulations, and industry and professional standards, including those of the United States of America, and the country or countries in which Buyer may operate, including without limitation the U.S. Foreign Corrupt Practices Act ("FCPA"), the U.S. Anti-Kickback Act ("Anti-Kickback Act"), U.S. and E.U. export control and sanctions laws ("Export Laws"), the U.S. Food Drug and Cosmetic Act ("FDCA"), and the rules and regulations promulgated by the U.S. Food and Drug Administration ("FDA"), each as currently amended. Buyer agrees to indemnify, defend, and hold harmless Seller from the consequences of any violation of such laws, regulations and standards by Buyer, its employees or agents. Buyer acknowledges that it is familiar with all applicable provisions of the FCPA, the Anti-Kickback Act, Export Laws, the FDCA and the FDA and certifies that Buyer will adhere to the requirements thereof and not take any action that would make Seller violate such requirements. Buyer represents and agrees that Buyer will not make any payment or give anything of value, directly or indirectly, to any governmental official, foreign political party or official thereof, candidate for foreign political office, or commercial entity or person, for any improper purpose, including the purpose of influencing such person to purchase Products or otherwise benefit the business of Seller. Buyer further represents and agrees that it will not receive, use, service, transfer or ship any Product from Seller in a manner or for a purpose that violates Export Laws or would cause Seller to be in violation of Export Laws."
